Become a Sponsor Today!

This Year's Charity:

Over the last 10 years, EPC's Classic Carfest Charity Carshow has raised more than \$89,000 for a variety of St. Louis-based children's charity efforts. We're proud to announce the date of our 10th Anniversary event coming up on October 8th, 2011 and we need your help! This year's charity, The Child Center, Inc. has been providing children with services to help them deal with a variety of abuse experiences and we're looking for sponsors for this year's program to help make that happen. Are YOU ready to make the difference in the life of a child? Below you'll find a series of sponsorship levels that will help you do just that, AND to help provide an outstanding business-awareness opportunity for you and your company in the eyes of the community.

The Child Center, Inc., is a child advocacy center whose goal has always been to meet the needs of children, teens, and families. We respond to child abuse through an emotionally supportive team approach and work to educate the public on how to prevent abuse in the future.

We look forward to meeting with you soon to talk more about how your company can help us benefit The Child Center, Inc. and bring some great new business and contacts your way! Thanks again and have a great day!

Child advocacy centers have proven to be effective and successful in meeting the needs of children and families who have experienced trauma.

We serve the Missouri counties of St. Charles, Warren, Lincoln, Montgomery, Pike, Ralls, Marion, Monroe, Lewis and Clark.
